

Simplify your Integration with SuccessFactors

SpeeXX is an SAP-certified learning content provider that uses the Open Content Network (OCN) to provide access to high-quality language training. It now is as simple and easy as watching your favourite movie online.

Benefits and Features

Synchronization

OCN synchronizes the whole catalogue – no more tedious manual tracking.

Stop the zip files

Less admin work for you compared to previous methods such as SCORM.

Single Sign-On

Ensure a seamless and secure access to the SpeeXX environment with a single SSO connection.

Easy Access

OCN allows learners to search and discover SpeeXX content directly from their SuccessFactors LMS.

Direct results

Results and learner progress are synchronized automatically with SuccessFactors.

Customize

OCN brings you total flexibility and seamless integration of your content and reporting.
